Press release

## Axway Software Implementation of the share buyback program

*Paris, November 12, 2018* - Axway (Euronext: AXW.PA) today announced the implementation of its share buyback program authorized by the General Shareholders' Meeting of June 6, 2018. In this regard, Axway has entrusted an investment services provider with a mandate to acquire shares.

This mandate covers a maximum volume of 110,000 shares, representing approximately 0.5% of the Group's share capital, up to a maximum of €1,500,000 (one million five hundred thousand euros). The repurchases are scheduled to begin on November 12, 2018 and end on December 31, 2018.

The shares acquired are intended to be used by the Group to meet the needs of allocating shares to its employees and qualifying company officers, or to some of them, in accordance with the following objectives set out in the share repurchase program:

- Cover Axway share purchase option plans as per the terms of Article L. 225-180 of the French Commercial Code, and/or
- Award Axway shares under Group profit-sharing schemes or a company savings plan in accordance with the law, and/or
- Award bonus shares under the scheme provided for under Articles L. 225-197-1 et seq. of the French Commercial Code.

Axway thus reaffirms its confidence in its development plan to become a market leader in hybrid integration platforms by the end of 2020.
